● Discussion Item I: Review Goals for the Year

- Effectiveness and feedback survey
 - Things that positively affect our Super Region that can be our focus for the year?
 - Following up on the 2nd goal. It was on-hold last year. Equity framework with shared agreements at the Super Region level to validate what we are doing.
 - What are others doing for re-opening: what has worked and what hasn't worked?
 - How can we help each other as a Super Region with personnel? Can we share instructors? A referral process? Re-opening marketing campaign. Aligning it with West Ed Mapping Project.
 - We are all down in student numbers. How do we understand how we reconnect with our communities? Due to Census attendance, we will only have a few weeks to enroll students. Retention strategies are going to be very important.
 - Internal cross-institutional initiatives with a framework that speaks to "What is doable?".
 - Let's be guided by the West Ed Mapping Project and build off of the template
